TEXASIZE ROOFING

Storm damage checklist

# STORM HIT? DO THIS FIRST

Eight steps to protect your home, document the damage and get a proper roof inspection after a storm.

**How to use this list:** work down the list in order and tick each step as you finish it. Keep this page with your claim paperwork.

- [ ] **STAY SAFE**
  Stay off the roof. Watch for downed lines, standing water and loose debris.
  **Why it matters:** Your safety comes before the roof.

- [ ] **STOP FURTHER DAMAGE**
  Move belongings, place buckets, and cover exposed areas where you can safely.
  **Why it matters:** Insurers expect reasonable steps to limit damage.

- [ ] **CALL YOUR INSURER**
  Report the loss and ask for your claim number and next steps.
  **Why it matters:** Claims have reporting windows. Check yours.

- [ ] **GET IT IN WRITING**
  Get a written scope and quote before any work starts.
  **Why it matters:** A clear scope avoids disputes later.

- [ ] **PHOTOGRAPH EVERYTHING**
  Take wide and close photos of damage inside and out, with dates.
  **Why it matters:** Clear photos are the backbone of any claim.

- [ ] **KEEP YOUR RECEIPTS**
  Save receipts for tarps, repairs and temporary housing.
  **Why it matters:** Many policies reimburse emergency costs.

- [ ] **GET A ROOF INSPECTION**
  Have a roofer inspect and document the damage with photos.
  **Why it matters:** A written report shows what the storm did.

- [ ] **WATCH OUT FOR STORM CHASERS**
  Be wary of door-to-door offers, big deposits and pressure to sign today.
  **Why it matters:** Check reviews and local roots before you hire.

## NEED YOUR ROOF INSPECTED AFTER A STORM?

Call us and tell us what happened. We can inspect the roof and talk through your options, including the insurance process.
